Notice

To: All Swan Lake Residents

From: Sullivan County Eruv Corporation

Subject: Swan Lake Eruv

If there is an Eruv in your bungalow colony please consult the Swan Lake Eruv map to determine if your colony is found within the borders of the Swan Lake Eruv.

We are hereby notifying everyone within the boundaries of the Swan Lake Eruv that you are allocated the “required” slice (Zikui HaPas) with a blessing from the Swan Lake Eruv.

Therefore you should not make a blessing on your colony’s “required” slice (Zikui HaPas). If the Swan Lake Eruv becomes invalid (pusal) you can still use your colony’s Eruv.

Otherwise you may not carry from the area of your colony’s Eruv to that of the Swan Lake Eruv

If you have a question about this, issue, or have other questions about the Eruv, please call Rabbi Steinmetz (845) 356-3193
